

Bird Balloon Template

Sizes may vary, depending on the balloon. This template is a guide only!

How to make a balloon bird

1. Trace shapes onto construction paper
2. Cut out
3. Blow up a balloon (then deflate a little to soften it)
4. Stick onto a balloon
5. Draw, or use stickers, for eyes
6. (optional) Add shredded plastic for a tail
7. Play with the bird!
